Terms and Conditions of Sale

TERMS—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale, unless calfhood vaccinated and under 24 months of age. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and, if, after a test in the seller's herd, he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other females sold are guaranteed to be breeders.

Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Indiana Polled Shorthorn Association, Inc., the Sale Manager, nor the Clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

All footnotes were written by the consignors.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

Any announcement or correction of material in the catalog made from the auction stand on sale day will take precedence over the matter in the catalog.

MAIL BIDS—Those wishing to buy at this sale, who cannot be present, may send their bids to the Auctioneer, H. W. Walker, 904 East Maple Road, Indianapolis 5, Indiana, or telephone Hickory 6273; to any of the consignors, field men or officers of the State Association.

SHOW CLASSIFICATION

and

PREMIUM LIST

All of the cattle catalogued have been nominated by the consignors and will be sifted by a committee of three breeders from Indiana, on Tuesday, April 20th. These three breeders are M. W. Congleton, of Frankfort, William Starr, of Milton, and Lawrence Wachstetter, of Carmel.

Eighty-five percent of the bulls nominated and eighty-five percent of the females will make up the show on Wednesday, April 21st. The show classification will be arranged from these animals, with four classes for bulls and five for females. Each sex will have a champion and a reserve champion. The first prize animals in each class will be eligible to show for the championship. Second place winners in the class where the champion is selected will show for reserve championship. Ribbons will be furnished by the American Polled Shorthorn Society.

Class One will be best three head bred by consignor, for which a trophy will be awarded.

The eighty-five percent selected by the committee are the ones that will be exhibited and judged the morning of April 21st and they will make up what is known as the Indiana State Sale offering.

The eighty-five percent that are exhibited and make up this sale offering will sell first, after which the balance of fifteen percent may sell if the consignor so desires.
